

2023 Routt County Jr. Livestock Sale Buyer Add-On Form

An "Add-On" is an additional donated amount, chosen by you, that is added onto the 4-H member's final sale check. Add-Ons are a great way to contribute to our youth without having to purchase an animal.

Add-On forms/checks can be dropped off or mailed to the Extension Office **by Friday, August 25**. Checks can be made out to Routt County Jr. Livestock Sale. Forms can be mailed to RC 4-H, 136 6th Street, suite 101, Steamboat Springs, CO 80487 or emailed to rc4h@co.routt.co.us. **Any Add-On forms received after August 26 will be returned to the sender, and you can send the add-on directly to the youth.** Also, the youth must participate in the Jr. Livestock Sale in order to be able to receive an Add-On.

Your add-on contribution is deductible for Federal income tax purposes within the limits prescribed by law. No goods, services or privileges have been exchanged for this contribution. Please retain a copy of this document for your records. The Routt County Jr. Livestock Sale Committee Tax ID number is 87-3708918.
